(الاستيعاب المقروء - المفردات - القواعد - التعبير - الاملاء)

I. Reading Comprehension (10 Marks)

Read the following passage , then answer the questions below:

Muslim scientists are clever and intelligent. They invented many useful inventions. They worked hard and they taught hundreds of students. They wrote a lot of books in Science, Maths and History. They were good at Medicine and they built hospitals to help ill people. They also studied space to learn about the planets. Many scientists around the world read those books and used them in their studies. Muslim scientists were great and we should be proud of them.
