VI- Reading Comprehension (12 Marks)

Read the following passage, then answer the questions below:

Koalas are very famous in Australia. They live in the forest and they usually eat leaves. Koalas aren't bears as many people believe. The koala is related to the kangaroo. The reason the koala is called a koala bear is because the koala looks like a teddy bear. They eat at night and sleep during the day. They are very quiet animals. They climb trees very slowly.

Koala's baby is called a cub. They are born alive and drink milk from the mother. The koalas have white and grey thick fur on their bodies. They have more thick fur on the neck and shoulders to help protect them from the bad weather.

One of the biggest problems for koalas is that their homes and environments are being cut down and destroyed to make way for new houses and hotels. Although koalas are protected by law, their homes and food aren't protected.
