## VI-READING COMPREHENSION (12Marks)

**Read the following passage, then answer the questions below:**

Firemen are ready to put out fires every day. They work hard to keep people and houses safe. When they get a call about a fire, they have to be ready to go quickly. What do firemen need to do their job well?

Firemen wear special clothes called turnout gear. Before firemen can put out a fire, they have to put on their turnout gear. It keeps them safe from heat and smoke. Turnout gear includes a **helmet**, a mask, a jacket, trousers and boots. Firemen need fire trucks to get to a fire quickly. They use hoses and other tools to put out fires and to save lives

Fire experts say that most fires start in the kitchen. Using a stove carelessly is one of the main causes of house fires. **They** give us some ways to stay safe. When a fire starts, get out of the house. If you see smoke coming under the door, don't open the door! Don't stop and don't go back.
