8- Scientists' success**depends on**.. their hard work and accurate observation.

B- Reading Comprehension (14Marks)

Read the following passage carefully, then answer the questions below:

Mona doesn't like to ask people for help. But it is hard for her to perform daily activities on her own. Mona has a trouble keeping her balance and can't walk very far. When she uses a wheelchair, she can't push it herself. Fortunately, Mona has a wonderful service dog named Sam. Sam lets Mona lean on him when she walks. He also pulls her wheelchair and turns lights on and off.

Sam also helps Mona with everyday tasks at school. He carries her books from class to class in a special backpack. He puts Mona's completed assignments in her teachers' homework trays. Besides making Mona less dependent on other people, Sam helps her lead a fuller life. This has helped her make friends. Sam also helps Mona be more active. With his aid, she **raised** over 500 dollars in a walkathon to help her society. Because of Sam, Mona doesn't have to ask people for help. Sam brings her closer to other kids. And he even helps her contribute to her community.

A-Choose the correct answer from a, b, c and d (4 x2 =8M)
