**Read the following passage carefully, then answer the questions below:**

Long ago, on an island, lived a family of seven sisters. The oldest girl ruled the household, and her sisters obeyed her commands. Flora, the youngest sister, was sent to the forest each day to **gather** wood for the kitchen fire. Near the forest was a river fell over the rocks into a cave. Flora often rested there on her way home after gathering wood in the forest for hours.

One morning as Flora ran along the river, she saw a little fish. "I am going to keep the fish for a pet," said the girl to herself. "I will call him Rainbow." So she caught the pretty fish, made a small pool and put him inside. The next day, Flora went to the forest for wood. She carried some bread and stopped at the cave. The fish was waiting for her. He came to the edge of the pool and she fed him. Flora used to be lonely, but now **she** had a friend. Every morning, instead of eating the bread which her sister gave her, she would save it to feed her pet.
