**Read the following passage then answer the questions below:**

Birds are interesting animals. We can see them everywhere. They live in jungles, deserts or by the sea. All birds have two legs. They are different in shape, colour and size. Birds eat different kinds of food. Some of them eat fruit, nuts and vegetables. Some others eat fish or meat. All birds have wings but not all of them can fly. Flying birds always fly together. They travel to warm and hotter places in winter. Some birds are good at swimming like ducks. Many others can sing beautifully. Birds are clever and smart. They build their homes in trees. They keep their eggs there safely. Mother birds look after their babies and give them food.
